

WINDSERVE ODYSSEY
Multipurpose Offshore Support Vessel

Principal Particulars

Length Overall	64.7' (19.7m)
Beam	23' (7m)
Draft	4'-6" (1.4m)
Fuel	2,650 Gallons (10,000 Liters)
Fresh Water	150 Gallons (570 Liters)
Maximum DWT	15 T
Passengers	20
Crew	Up to 4
Amenities	2 Toilets, 1 Shower
Forward Cargo Area	302 ft2 (28m2)
Aft Cargo Area	110 ft2 (10.2m2)
Deck Loading Capacity	1.5 t/m2
Cargo Capacity	
Forward Deck	5 T
Aft Deck	5 T
Classification Society	ABS
HSQE Certification	Yes
Flag	U.S.A. USCG Subchapter L
Hull Material	Aluminum
Hull Type	Catamaran

Machinery & Equipment

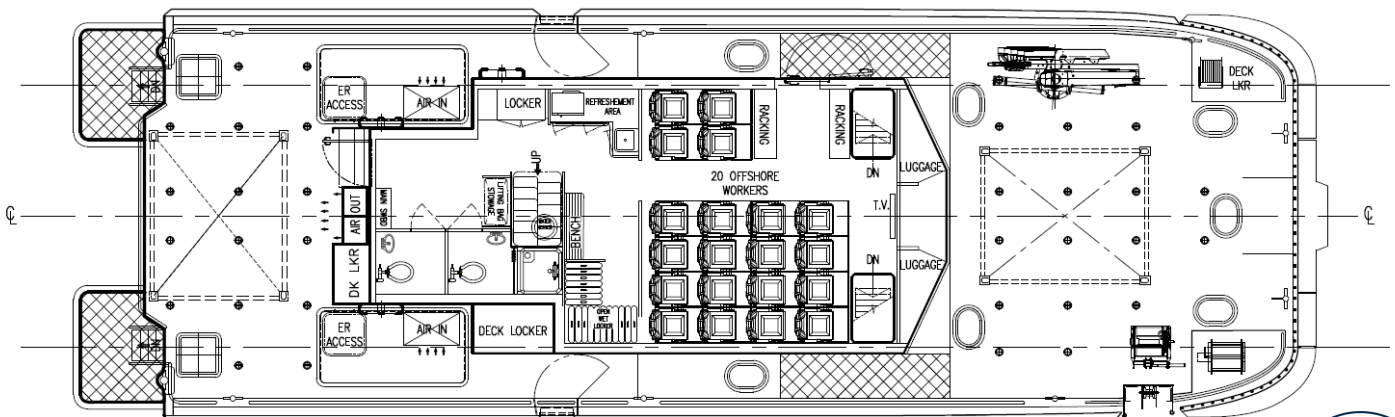

Main Engines	4 x Scania DI16 - 800 Hp / 588 kW Each
Generators	2 x Kohler Marine - 32 Hp / 24 kW Each
Propulsion Type	4 x Hamilton HM461 Waterjets
Control System	AVX with JETanchor Station Keeping
Automation System	First Electric
Vessel Monitoring System	Reygar BAREFleet
Forward Deck Crane	Palfinger 12000 PK
Bow Thrusters	2 x Sidepower - 20 Hp / 15 kW Each
Anchor Windlass	Hercules AAW90 (Starboard Bow)
High Pressure Washer	Fixed on Port Bow Area
Seats	KPM Suspension Seating
Entertainment	DirectTV Satellite Television
Internet	KVH Fleet One VSAT

Performance Data

Sprint Speed	29.9 Knots
Service Speed	27 Knots

Survey Kit

Stern A-Frame	Install Date Q1 2021
Survey Side Pole	Install Date Q1 2021
Survey Power Supply	Portable Deck Generator (as needed)

ABS Management System Certified: ISO 9001 – ISO 14001 – ISO 45001 – ISM Code
